TO ALL LADIES: Assignments are made from a list of volunteer coordinators, who serve about twice a year, and from the general parish membership, who are asked to serve about once every two to three years. Holy Savior greatly needs and appreciates your help in preparing the church for Mass. Altar care should only take 45 minutes or less. Coordinators will call you to determine a convenient time to meet. If you have a conflict with your assignment, please try to swap with someone else on this list. If you cannot find someone, call your coordinator and let her know that you don't have a substitute.

COORDINATORS: Please be sure to call the other two people assigned for your week to determine the time you will meet. Church keys should be obtained from me or passed between coordinators. If you have been informed that flowers for the altar will be delivered, **please try to make arrangements around delivery time (between 9:45 and 10:15am). If unable to be there at this time, please inform me or Sharon Hopkins at 601-668-7216.**

**** Ladies, for safety and security reasons, Father recommends that we keep the church doors locked while doing Altar Care. Being a church we sometimes have people show up looking for money or assistance and working in the chapel and around the altar we may not hear if someone comes in the building. So, just to be on the safe side, please keep church doors locked.****

Thanks for all you do,
Mary Frances Ellis (email: maryfrancesellis@gmail.com)
