**PASTOR'S REFLECTION:** In our Gospel reading this weekend, Jesus teaches his disciples how to pray, but he also states that if we ask, we shall receive, and if we knock, the door will be opened for us. Our faith is always to go beyond our prayers in putting that faith into action. It is hard to believe that our summer is coming to a close with our students and youth headed to school very soon. We commence our school year in August with a blessing of the backpacks in August, of which more information will be forthcoming. We look forward to a new year of religious education for our children, youth, and adults. Speaking of putting faith into action, we are looking for volunteers who would like to join our prison ministry at Central Mississippi Correctional Facility. We are looking for women who would like to help with the women's ministry and men for the men's prison ministry. We currently have a small group of volunteers who have been going out for years, but as that group is aging and having more time constraints, we are in need for more volunteers. Currently, we have been going out during the week on an afternoon for the men and women in the general prison population and ministering to the prisoners who are trustee there on Saturday mornings. There will be an orientation by the state prison system prior to starting as a volunteer. Please contact Father Lincoln if you are interested. Have a blessed week everyone. Father Lincoln.
