**REFLECTION from Fr. Lincoln:** After being out in Los Angeles for the past three weekends for mission appeals, I came back to Mississippi for a few days before I headed out to New England for a mission appeal in Rhode Island this weekend. This summer at our parishes in Clinton and Raymond, I have been addressing the topics of the Eucharistic renewal, our outreach to our brothers and sisters in need through works of mercy, and the evangelization of our parish community and those beyond our community boundaries. As we hear Jesus ask Peter who he says that Jesus is, we all need to proclaim who Jesus is on our own journey of faith, most importantly in the way we live out our faith each day, not just in our words. It is easy for us to say something in words, but more challenging for us to live out the meaning of those words each day. May the values of our faith be integral to the way we live each day. Have a blessed week everyone.

**PROTECTION OF CHILDREN** The Diocese of Jackson is committed to ensuring that no one being served by the church is at risk of sexual abuse or exploitation by clergy, religious or lay church personnel. The spiritual well-being of all the victims, their families and others in the community is of concern to the church. In accordance with our policy, all victims are offered counseling and pastoral care. Anyone who has been a victim of abuse or exploitation by clergy, religious or lay church personnel and has not yet reported it is encouraged to do so. Our victim assistance coordinator, Erika Rojas, a licensed social worker, is available to assist in making a report. Please contact her at 601-326-3736. For more information about diocesan policies and procedures and to learn what the diocese is doing to create a safe environment for everyone, please visit the diocesan website at [www.jacksondiocese.org](http://www.jacksondiocese.org) & click on "Protection of Children."
