6th Sunday of Easter

May 5, 2024

Today, on the 6th Sunday of the Easter season, we celebrate the first Sunday of the month of May, the month of our Mother Mary. This weekend at the Sunday morning Mass, we celebrate our graduates who are marking an important milestone in their lives. We give our graduates a special blessings as they continue their journey through life. The theme of our readings at Mass this weekend is love, an appropriate theme to celebrate in the midst of the Easter season as we celebrate our risen Lord in a special way. St Thomas Aquinas, a Dominican priest and theologian from the 13th century, stated that "to love God is something greater than to know him." St Catherine of Siena, a Dominican tertiary and Italian mystic from the 14th century, stated that "everything comes from love, all is ordained for the salvation of man, God does nothing without this goal in mind." We pray that the Lord continues to guide and lead our high school and college graduates. We pray that all of us feel God's love for us every day on our journey of faith and that we pass on that love to others. Blessings to all of you. Father Lincoln.

The Knights of Columbus had their annual state convention last week in Biloxi. The Ladies Auxiliary won first place for new membership. The

Fourth Degree did very well: Fr. Lincoln - Clergyman of the Year, Michael Saway - Sir Knight of the Year, Steve Miller – Marshal of the Year, Assembly of the Year, Star Assembly of the Year, and the Civic Award. Congratulations!

A Message from Fr. Lincoln:

This year, I am participating in a program coordinated by the Catholic Extension Society, which assists our Diocese each year with grant funding. This program, called the **Compelling Preaching Initiative**, provides a way for you all to give me feedback via your smartphone to understand how I, as your pastor, am doing in my homilies and how I am connecting with you. My goal is to learn how I can better engage with all of you through my preaching and ultimately become a better pastor. Aim your smartphone camera at the QR code and tap the link that pops up. It will take you to the quick survey.
